

## Celebrations & Events

The Library and Heritage Rooms offer a unique and character filled event space for entertaining.

Surrounded by old oak beams, original floors and feature fireplaces, they have a knack of bringing a sense of occasion to every event.

Our Head Chef creates exquisite modern British cuisine for private dinners, ranging from informal canapés to three or four course feasts.

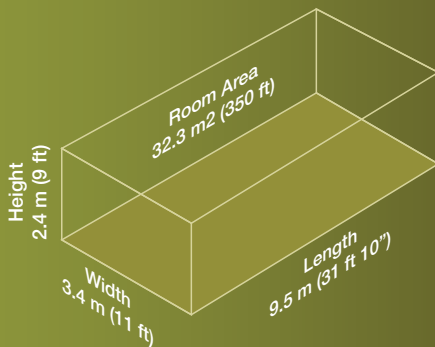

As an East Sussex timber framed hotel, The Star forces the visitor to remember its great history through its blend of old and new.

The atmosphere is distinctly warm with a friendly and professional team. The Star offers an idyllic, tudor style village location in the heart of the South Downs, perfect for any occasion.
