Distance (Approx)	3 Miles (4.8km)
Stiles	4
Terrain	Tracks and Grassland
Map Recommended	O/S Explorer 123

Start

From The Star Hotel **(1)** turn right into Star Lane following the South Downs Way. At the crossroads continue over into Kings Ride and continue to climb the hill **(2)**. The road continues straight up the hill and becomes a chalky bridleway.

Continue to the top of the hill and along the level track to the next crossroads **(3)** take the left turn through a wooded track, passing a bungalow on the left **(4)** and continue over the cattle grid.

Please stick to the path, as this is private land. You will now pass through the Llama field and if the Llamas are out grazing they will watch you make your way through the field **(5)**. Take the second stile on the right before you arrive at the house, and continue through the open field following the fence on your left hand side.

The path will now start to descend into the valley. At the bottom **(6)** climb the stile on your left and continue along the valley floor to the next stile. Proceed over again and follow the valley floor curving round to the right **(7)**. Keeping the barn on your left, proceed to the corner of the field towards the woods, where you will find the last stile on this walk.

Proceed along the path down the hill until you emerge onto the Seaford to Alfriston road **(8)** opposite Deans Place Hotel. Turn left and follow the road back into the village.
